

Shoot locations are typically done near home studio area, in NW Denver in the Highlands area near I-70 and Federal. These locations are used to accommodate more sessions when schedule is full. Also, there is familiarity with the lighting and good photo spots, therefore I can be more efficient with time on the shoot. New locations and client requests for locations in the Central Denver area are always considered.

## REGIS UNIVERSITY CAMPUS - 50TH AND LOWELL IN NW DENVER

Lots of variety with beautiful lush grounds and classic and modern architectural elements.

## INSPIRATION PARK - I-70 & SHERIDAN

Rugged and open view space, paths, trees, fields. Rocks and flower garden in summer. Best for afternoon or evening shoots.

## CROWN HILL AND WHEATRIDGE GREENBELT

Heavy treed areas, paths, a river, lake, bridge, open fields, mountain views.

## SLOANS LAKE - 26TH AND SHERIDAN

Lake, dock area, treed areas, downtown views, bridges, field and grassy areas.

## TENNYSON ART DISTRICT & BERKLEY LAKE PARK - 48TH-38TH AVES

Vintage and urban city elements on Tennyson and a lake and trees at Berkeley Park.

## LODO / CONFLUENCE PARK / LITTLE RAVEN

Heart of city with urban elements, river, downtown views, graffiti, cool architectural features.
